About Chamber Membership and Dues Investments

- The \$205 base includes one owner/manager/partner for each business.
- The definition of employees for dues investment calculation purposes is to be Full-time Equivalent employees (based on total number of hours worked by all part-timers, divided by 40.)
- Annual membership investments are for the calendar year; dues investments for members joining after January are pro-rated through December 31.
- In addition to calculated amounts, \$15 is added on member applications received from businesses who have not been members during the past 12 months for membership processing.
- Dues investments are payable annually by check, Visa or MasterCard, or monthly by Electronic Funds Transfer (EFT). Semi-annual payments are also allowed with a \$4.00 per payment processing fee.
- The investment schedule is subject to change annually should the Board determine that revisions are needed.
- Each member is entitled to one vote in ballot decisions. Company members must designate a voting member, to whom ballots are sent for elections; lacking such a designation, the ballot will be sent to the executive considered the member's primary decision-maker.
- Corporations may designate officials as "assigned members", based on one for each \$205.00 in dues investments.

BROOKINGS AREA CHAMBER OF COMMERCE MEMBERSHIP APPLICATION

Member Company Name _____

Contact Name _____

Mailing Address _____
